Re: 21-CR-530 (SHS) United States v. Adrian Alexander

Dear Judge Stein:

Defendant Adrian Alexander respectfully submits this letter to request that he be permitted to travel to Italy from March 1 to March 12, 2023. Mr. Alexander's sentencing is currently scheduled to occur on April 13, 2023.

Mr. Alexander would appreciate the opportunity to spend some time with his family in Italy before his sentencing. As we have reported in the past, Mr. Alexander's wife is in Italy, and must remain in Italy for the foreseeable future, because of her role managing her late mother's real estate business. Mr. Alexander would also like to spend some time with his father-in-law, who is 90 years old, with whom Mr. Alexander enjoys a close relationship. Mr. Alexander's daughter Allegra, who is currently a student at Northeastern University, will also be in Italy during this time period. As the Court may know, prior to this case, Mr. Alexander spent 35 - 40% of his time in Italy because of his wife's working arrangement in the real estate business there.

As Your Honor is aware, Mr. Alexander previously traveled to Italy from August 31, 2022, to September 18, 2022, and again from December 22, 2022, to January 3, 2023. In both instances, he returned to the United States without incident. Mr. Alexander's Pretrial Services Officer, Ms. Evelyn Alvayero, is aware of Mr. Alexander's request to travel and has no objections to the request. Government counsel has been made aware of this request and has no objections to the request.

The Honorable Sidney H. Stein
